FCC Compliance Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Industry Canada Statements

Complies with the Canadian ICES-003 Class B specifications. Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada. This device complies with RSS 210 of Industry Canada.

This Class B device meets all requirements of the Canadian interference-causing equipment regulations.

Cet appareil numérique de la Class B respecte toutes les exigences du Règlement sur le matériel brouilleur du Canada.

European Compliance Statement

This product complies with the requirements of European Directives 72/23/EEC, 89/336/EEC, and 1999/5/EC.

FCC ID:
WKMIOWCKPA28BT

US Patent 7,311,455 and other patents pending.

WARRANTY

Newer Technology ("NewerTech") warrants to the original end user ("Customer") that these products will be free from defects in workmanship and materials, under normal use, for 1 year from the date of original purchase from NewerTech or its authorized reseller. NewerTech's sole obligation under this express warranty shall be (at NewerTech's option and expense) to repair or replace the product or part with a comparable product or part. All products or parts that are replaced become the property of NewerTech.

LIMITATION OF LIABILITY

To the full extent allowed by law, NewerTech excludes for itself and its suppliers any liability (whether based in contract or in tort, including negligence) for incidental, consequential, indirect, special or punitive damages of any kind, or for loss of revenue or profits, loss of business, loss of information or data, or other financial loss arising out of or in connection with the sale, installation, maintenance, use, performance, failure, or interruption of this product, even if NewerTech or its authorized reseller has been advised of the possibility of such damages, and limits its liability to replacement, repair, or refund of the purchase price paid, at NewerTech's option. This disclaimer of liability for damages will not be affected if any remedy provided herein shall fail of its essential purpose.
